

SHINE & SHIELD LLC

CAPABILITY STATEMENT

WHO WE ARE?

Shine and Shield LLC is locally owned and operated by Tampa native, Carlos Paredes. Born and raised in the bay area has helped him build a strong sense of community with in the company, we make it a point to treat all homeowners like our next-door neighbors. "Clarity is kindness" that's all our policy.

With over 6 years of experience in the home improvement industry, Shine and Shield Paver Sealing has the skills and expertise to beautifully restore, repair and protect paver and stone surfaces. Commercial or residential, no matter the location or size of the job, we care for your property like it's our own.

Outdoor paver and natural stone surface protection and restoration is our singular focus. We've spent years learning about the care and restoration of these surfaces and the special considerations and challenges presented by our unique climate so that you can rest assured that you are getting the best surface protection products, processes, and advice. Because of that focus, we've become really good at what we do. We couldn't be that good at it if we did an assortment of miscellaneous outdoor handyman tasks. Need your fence or driveway pressure-washed? There's a neighbor hood kid or chuck with a truck down the street who can do that. Want an inviting pool deck or patio that you're once again proud to entertain on? That's our specialty!

All our stripping and sealing products used are proprietary blends specifically made for Florida subtropical climate. We spared no expense in creating the best product for Florida homeowners because that's what they deserve.
